

**- Clarification -  
Sunday 1<sup>st</sup> of December 2019  
Torino Airport remains open  
Air traffic restrictions**

*Caselle Torinese, 29<sup>th</sup> of November 2019* – Torino Airport states that on Sunday 1<sup>st</sup> of December 2019 the airport remains open. The closure of the airspace from 9.30 am to 4.30 pm, due to the operations of disarming the war device found in Via Nizza in Turin, does not imply the interruption of airport services.

It is reiterated that the limitations concern the suspension of instrumental operations for the landing of aircraft at Torino Airport and, therefore, delays or cancellations of flights arriving and departing in these timings may occur.

The operational choice to cancel or reschedule flights in the above time slot remains with the individual airlines, which in turn will notify the passengers concerned of the status of the flights.

For detailed information on their flights, passengers can then contact the airline or travel agency, or contact the Turin Airport Information Service at +39 011 5676361-2.
