

ITA AIRWAYS INCREASES FREQUENCIES FROM DECEMBER OF THE TURIN-ROME FLIGHT NOW AVAILABLE 5 FREQUENCIES A DAY BETWEEN PIEDMONT AND THE CAPITAL

Caselle Torinese, November 2, 2022 – As of 1 December 2022, ITA Airways will expand its presence in Turin, **increasing the daily flight frequencies to and from Rome Fiumicino** from the current 21 to 35 per week.

This means that **2 new flights will be added** every day and will be added to the 3 currently scheduled, **for a total of 5 flights**.

One of the most popular connections from Turin therefore returns to full service.

The increase in frequencies in fact allows greater choice and flexibility both for same-day round trips and to increase long-haul connectivity to destinations such as New York, Boston, Miami, Los Angeles and even Sao Paulo, Buenos Aires, Tokyo, New Delhi and the Maldives.

This is a return to the offer of the pre-pandemic period, with a flight schedule that will also allow Turin and Piedmont to be very well connected to ITA Airways' increasingly rich long-haul network”.
